

**London**  
C A N A D A

Position: Fire Prevention Inspector  
Posting#: F-02-10  
Posting for: City of London  
Deadline: April 16, 2010  
Salary: \$56,006 to \$92,010

Duties:

As a self-motivated member of the Fire Prevention Division, your primary responsibilities will be conducting fire code inspections, ensuring compliance with legislation, codes, and standards, and, where necessary, assisting in the prosecution process. Integral components of this position include conducting fire investigations, liaising with municipal and provincial agencies, and report writing and collection of fire statistics and data. As a superior communicator with strong interpersonal skills, you will provide advice and direction to businesses, community, and stakeholder groups as well as the local media.

Please visit the City of London website at [london.ca/mycareer](http://london.ca/mycareer) for a full description and to apply on-line. We appreciate all applications; however, only those selected for an interview will be contacted. Police and reference checks will be required. Proof of certifications will also be required at time of interviews.

***The Corporation of the City of London** strives to foster a workplace in which all individuals maximize their potential, regardless of their differences. We are committed to attracting, engaging, developing and celebrating exceptional people in public service who are representative of our community.*
