

LAKELAND COLLEGE

Fire Service Instructor Competition No: 11-2913-001RE

Lakeland College is committed to achieving educational excellence in a people-centred environment. Lakeland College, Emergency Training Centre invites applications for a Fire Service Instructor. Responsibilities will primarily involve delivering fire fighter, fire officer, fire inspector, fire investigator, public fire educator, dangerous goods responder programs, and industrial fire fighter programs, as well as other specialty courses, and the Fire Service Instructor also assists in advancing the Lakeland College corporate image, maintaining equipment and props, industry liaison, and other related activities.

Your minimum of ten years of emergency services experience and five years of relevant instructional experience will help make you a preferred candidate. Only applicants with NFPA 1041 level 2, NFPA 1001 level 2, NFPA 1021 level 2, with IFSAC/ProBoard certification will be considered. The ability to instruct NFPA 1031 level 2 and 1033 will be an asset. Candidates with fire officer/inspection/investigation experience will be given preference along with an in-depth understanding of the Safety Codes Act, and related federal and provincial legislation and regulations. Membership in related professional organizations is desirable.

This is a Continuing Full-time Faculty appointment commencing as soon as possible, on the Vermilion Campus.

Qualified applicants are invited to submit their resume by **August 20, 2010**.

A combination of education and experience may be considered. Lakeland College thanks all applicants for their interest, however only applicants selected for an interview will be contacted. Please quote competition number and send current resume with the names of three references to:
