

Deputy Fire Chiefs

- two positions

As an integral member of the Windsor Fire and Rescue Services Management Team, you will provide support to several divisions in the delivery of efficient and effective programs and services. You will provide administrative, operational, and leadership support for Fire and Rescue Services, Dispatch, Training, Fire Prevention, Apparatus, and Administration. In addition to your secondary school diploma, you have a Police College/Fire College diploma or the equivalent along with six years' fire operations experience in a fire service environment, supervisory/managerial experience in a unionized or composite fire service environment, and a Community Emergency Management Coordinator designation.

For complete details, visit 'Work for Windsor' on our website or call (519) 255-6515 for an automated job line or Windsor City Services at 311, or visit Human Resources at 171 Goyeau Street, Windsor.
