

FIRE CHIEF

As the senior administrative operational leader of the Windsor Fire and Rescue Services management team, you will be responsible for directing all aspects of the services including planning, organizing, co-ordinating, and directing fire suppression and rescue, fire prevention, public education, staff training, emergency communication, mechanical repair, radio systems, and fire emergency service operations and programs. Having studied business, public administration, engineering or a related field, you have a university degree plus four years of fire service management experience. Alternatively, you have a high school diploma plus either an Ontario Fire College or a Community College diploma in one of the above disciplines and six years of fire service management experience.

For complete details, visit 'Work for Windsor' on our website, call (519) 255-6515 for an automated job line or visit Human Resources at 171 Goyeau Street, Windsor.
